

The background of the entire page is a complex pattern of thin, golden-yellow lines that flow and curve across the space, creating a sense of movement and depth, similar to topographical contour lines or organic, fluid shapes.

At The Prawnerly, elegance and decadence unite in a celebration of global flavours, translated into premium South African cuisine centred around seafood and quality grills.

Enjoy the artistry of our cocktails and a wine list curated to elevate every moment; each sip considered, each pour a flash of passion and a glimmer of discovery.

The Prawnerly is a space prepared with love (with dedication), enriched with thought and poised with sublime sophistication
